

Job Title: Senior Programmer

Job Location: Charlottetown, Prince Edward Island, St. John's, Newfoundland and Labrador, or Remote

Salary: \$95,000 - \$115,000/yr

Salary is commensurate with experience. We offer an annual Bonus Plan, Health and Dental Plan - premium covered 100% by employer, Group RRSP up to 5-7%, generous and flexible personal time off.

Job Description: To be considered for a position in our programming department, applicants should be able to demonstrate their programming skills. Professional programming experience and a B.S. in Computer Science, or equivalent, is preferred.

We like our employees to be as flexible with their programming as possible. All applicants should have experience in the following areas of game development

- C# Programming
- Unity3D
- 3D Mathematics
- Gameplay, Networking, UI, AI, or Graphics Programming

Additionally, applicants should have knowledge of at least one of the following:

- C++ Programming
- Server/Backend Development
- Web Development
- Cloud Services (Azure, AWS, GCP)
- Console development
- Tool development
- Audio Programming
- Physics Programming
- Plugin or scripting development with either 3D Studio Max or Maya
- An interpreted programming language (Ruby, Python, Perl, etc.)

Applicants with at least 5 years of games industry experience is preferred.
